Judges

On February 22, 2005, this Court issued an order vacating the trial court's November 15, 2004, order denying defendant's motion to dismiss and remanding the matter to the trial court for further explanation of its denial. The application for leave to appeal and motion for peremptory reversal filed by defendant were held in abeyance pursuant to this Court's order, pending the outcome of the remand proceedings. On remand, the trial court granted defendant's motion and entered an order dismissing plaintiff's action against defendant on March 23, 2005.

The Court removes the application and motion from abeyance, and orders that the application and the motion for peremptory reversal are DENIED AS MOOT in light of the trial court's order. The Court retains no further jurisdiction.
